Dear Mrs Nina Crommelin, Mrs Anette Scwer, Mr Heinz Gniostko,

Thank you for your accepting our invitation and for your personal presence honoring the XIII. Budapest Circus Festival and as a Special Guest you contributed to the success of the Festival. With our colleagues we have done everything to organize a memorable Festival in both compilation of programs and hospitality. It's a special pleasure for us that for a week Budapest has become the center of the International Circus World, more than 300 artists, managers, circus directors met at the Capital Circus of Budapest.

We are pleased to share with you the photo album made at the Festival, use it for your work.

I look forward to seeing you in 2022 on the XIV. Budapest International Circus Festival!

Sincerely,

In the name of the Organizing Committee of the Festival:

dr Beáta Borsós
Director
Capital Circus of Budapest

Péter Fekete
Ministerial Commissioner
Chairman of the Organizing Committee
